EXPERIENCE

Propaganda3 *Kansas City, MO* *7 years*

CREATIVE DIRECTOR (2011-current)

Led a team of designers and developers in creating our own products as well as apps, games, sites and other digital products for a wide range of direct clients and agency partners. Worked with management to optimize the process and workflow of the project cycle.

ART DIRECTOR (2010-2011)

Led a team of designers with the focus of solid UX/UI for digital applications.

DESIGNER/DEVELOPER (2007-2010)

Designed and developed Flash websites centered around high levels of interactivity.

FancyHippo *Kansas City, MO* *2 years*

FREELANCE (2006-2008)

Created digital applications for select clients. Although I don't do freelance under the name *FancyHippo* anymore, I still use it as an online moniker.

Creative Capers Entertainment *Altadena, CA* *summer*

INTERN (2005)

Updated the companies website and learned the workings of an animations studio.
